Global Shipping & Forwarding – Solutii logistice complete si profesioniste

Global Shipping & Forwarding, cu sediul in Constanta, ofera solutii logistice integrate, transparente si personalizate pentru fiecare proiect. Gestionam transportul marfurilor si furnizam solutii complete de la punctul A la punctul B, adaptate nevoilor clientului.

Servicii oferite:

- **Transport maritim:** containere FCL / LCL, marfa vrac (bulk), project cargo (utilaje, echipamente grele sau supradimensionate)
- **Transport rutier:** intern si international
- **Transport aerian:** pentru livrari rapide si urgente
- **Transport feroviar:** pentru rute si volume speciale
- **Servicii vamale:** gestionarea eficienta a formalitatilor vamale
- **Depozitare, cross-docking si distributie:** solutii complete de logistica
- **Asigurare marfa:** acoperire completa a riscurilor

Avantaje competitive:

- Experienta locala cu perspective globale – baza in Constanta, operatiuni internationale
- Raspuns rapid si clar la orice solicitare, fara intarzieri sau ambiguitati
- Flexibilitate si retea solida – solutii personalizate, nu sabloane impuse
- Profesionalism si abordare directa – comunicare simpla si eficienta

Abordarea noastra:

Analizam cerintele specifice ale fiecarui transport si oferim:

- Optiuni realiste de transport
- Timp de tranzit clar
- Costuri transparente

In situatii neprevazute, comunicam deschis si actionam rapid. Indiferent daca este vorba de un palet, o cutie sau un transport de 300 de tone, abordam fiecare proiect cu acelasi nivel de seriozitate si profesionalism.

Global Shipping & Forwarding – partenerul tau de incredere pentru transport si logistica.

Pentru informatii suplimentare sau oferte personalizate, va stau la dispozitie.

ENG:

Global Shipping & Forwarding – Comprehensive and Professional Logistics Solutions

Global Shipping & Forwarding, headquartered in Constanța, provides integrated, transparent, and tailor-made logistics solutions for every project. We manage cargo transportation end-to-end, delivering complete door-to-door solutions from point A to point B, fully adapted to our clients' specific needs.

Our Services:

- **Ocean Freight:** FCL / LCL containers, bulk cargo, project cargo (machinery, heavy or oversized equipment)
- **Road Transport:** Domestic and international
- **Air Freight:** For fast and urgent deliveries
- **Rail Transport:** Suitable for specific routes and large volumes
- **Customs Services:** Efficient handling of all customs formalities
- **Warehousing, Cross-Docking & Distribution:** Complete logistics solutions
- **Cargo Insurance:** Full risk coverage

Our Competitive Advantages:

- **Local expertise with a global perspective** – based in Constanța, operating worldwide
- **Fast, clear, and reliable responses** to every request, with no delays or ambiguity
- **Flexibility and a strong partner network** – customized solutions, not standard templates
- **Professionalism and a direct approach** – clear, efficient communication

Our Approach:

We carefully analyze the specific requirements of each shipment and provide:

- Realistic transportation options
- Clearly defined transit times
- Transparent and competitive costs

In unforeseen situations, we communicate openly and act promptly. Whether it is a single pallet, one box, or a 300-ton shipment, every project is handled with the same level of commitment, precision, and professionalism.

Global Shipping & Forwarding – your trusted partner in transport and logistics.
